

# Worried About Poverty?

Population Matters

## If the women and men can plan their families:

- ✓ Down goes maternal mortality
- ✓ Down goes infant mortality
- ✓ Down goes family size
- ✓ Down goes HIV/AIDS transmission
- ✓ Down goes unsafe abortion
  
- ✓ Up goes the human right to choose
- ✓ Up goes education for women
- ✓ Up go sustainable livelihoods
- ✓ Up goes preservation of the environment
  
- ✓ Down goes poverty and disease
- ✓ Up goes sustainable development

## If women and men cannot plan their families:

- ✗ Up goes maternal mortality
- ✗ Up goes infant mortality
- ✗ Up goes family size
- ✗ Up goes HIV/AIDS transmission
- ✗ Up goes unsafe abortion
  
- ✗ Down goes the human right to choose
- ✗ Down goes education for women
- ✗ Down go sustainable livelihoods
- ✗ Down goes preservation of the environment
  
- ✗ Up goes poverty and disease
- ✗ Down goes sustainable development

Where national and international organisations give support to reproductive rights and reproductive health services, health, education and incomes have improved and poverty has been reduced.

**Without sustainability, there is no tomorrow.**
